A certain document, three copies of which are on file in the office of the Borough Secretary-Manager of the Borough of Dormont, being marked and designated as the “BOCA National Fire Prevention Code, Tenth Edition, 1996,” as published by the Building Officials and Code Administrators International, Inc., be and is hereby adopted as the Fire Prevention Code of the Borough of Dormont, Allegheny County, in the Commonwealth of Pennsylvania, for the control of buildings, structures and premises as therein provided; and each and all of the regulations, provisions, penalties, conditions and terms of said BOCA National Fire Prevention Code are hereby referred to, adopted and made a part hereof, as if fully set out in this chapter, with the additions, insertions, deletions and changes in § 110-2 of this chapter.

§ 110-2. Modifications.

The BOCA National Fire Prevention Code (1996 Edition) is amended and revised in the following respects:

- A. References. Any references in the aforesaid code to terms such as municipality, city or any other reference to a governmental authority shall be held to mean the Borough of Dormont; any terms used in the code referring to building inspector, inspector, code official or other person authorized to enforce the code shall be held to mean the Building Inspector, Code Enforcement Officer and/or the Zoning Officer of the Borough of Dormont or any inspectors hired by the borough to accomplish the purposes set forth in this chapter. The

Borough Manager, with the approval of the Borough Council, is authorized to appoint and hire inspectors to carry out the provisions of this chapter, but the Building Inspector, the Code Enforcement Officer and/or the Zoning Officer of the Borough of Dormont shall be the primary officials responsible for the administration and enforcement of this chapter.

- B. Definitions. All terms used in this chapter shall be defined as the same are more fully defined in the code, except that in the event that there is a conflict between the definitions contained in the code and the terms that are defined in the Zoning Ordinance of the Borough of Dormont, as amended, then the definition as set forth in the Zoning Ordinance of the Borough of Dormont shall prevail. For these purposes, the definition section of the Zoning Ordinance of the Borough of Dormont is incorporated herein by reference thereto, the same as though it had been fully set forth herein at length.¹
- C. Amendment. The code adopted herein is hereby modified in the following respects:
- (1) The provisions of Chapter 3, Section F-308.4, relating to unvented fuel-fired heating appliances, shall be deleted and the following shall be substituted in its place:

F-308.4, Unvented fuel-fired heating appliances: Unvented fuel-fired space-heating appliances designed for portable use shall be prohibited in occupancies that include all use groups, with the exception of detached single-family dwellings. Unvented fuel-fired space-heating appliances designed for permanent installation shall be installed in accordance with the BOCA Mechanical Code listed in Chapter 44.
- D. Appeals. Section F-113.0 et seq., Means of Appeal, of the code is deleted in its entirety and substituted therefor shall be the following: “Any person shall have the right to appeal by requesting that the borough seek an interpretation of the code from the Building Officials and Code Administrators International, Inc.; in the event that such a decision is adverse to the applicant, or not forthcoming, the applicant may then request that an arbitrator be appointed to determine the issue and to render a decision. The arbitrator shall be a registered architect selected by the borough and the applicant. All costs of the arbitrator shall be paid for by the applicant.”

§ 110-3. Conflicts with other ordinances.

Whenever a conflict shall occur between the provisions of this chapter and the codes adopted hereunder and the provisions of any other ordinance of the Borough of Dormont, particularly the Zoning Ordinance and the Subdivision and Land Development Ordinance of the Borough of Dormont,² then such conflict shall be resolved by interpreting the ordinances so that the strictest interpretation of the conflicting ordinance shall be the one that prevails, and the administration or enforcement of the matter shall proceed under the provisions of the ordinance containing the strictest standard or interpretation.

A signed copy of the written decision shall be forwarded to the property owner or aggrieved person within five days of the date of such decision.
- C. The Building Inspector, Code Enforcement Officer and/or Zoning Officer shall have authority after exhibiting proper identification and in the discharge of their official duties to enter any building, structure or premises at any reasonable hours to enforce all laws relating to matters covered under the provisions of this chapter, and shall be authorized to issue such citations or file such complaints before a District Magistrate as may be required for the enforcement of this chapter.

- B. The owner of any building, structure, home or edifice or portion of the same, or of the premises wherein a violation of the code shall exist, or who shall cause a violation of the same, or any owner, tenant, contractor, agent or employee who may commit a violation of this chapter or assist in the commission of such a violation shall each be guilty of a separate offense and, upon conviction thereof, shall be punishable by a fine not less than \$300, nor more than \$1,000, and costs of prosecution, or in default of payment of such fine and costs, shall be imprisoned for not more than 10 days; and provided, further, that each day that a violation of any of the provisions of this chapter continues shall be considered a separate offense.
- C. The term "person," as used herein, shall mean any individual, member of a partnership or the officer of any corporation, which officer authorizes or participates in any action or omission to act which constitutes a violation of this chapter.

§ 110-7. Effect on existing or pending legal action.
